

### Part 1: Project Setup and Splash Activity (Launcher Activity)

Create new project with the following requirements:

1. Minimum API 11 – Target API 19
2. Project Name: Test1
3. Package Name: firstname.id20XXXXXX.test1
4. Theme with Action Bar
5. Import all the required images and html file to their corresponding folders

Splash Activity Requirements				
N	Requirement	Marks	Your Score	Feedback
1	General Project Setup and Importing the Required Files	1		
2	The Splash Activity background color should be gradient color with the following properties ( <i>angle="90", endColor="#A05", startColor="#00A", type="linear"</i> ). This XML file should be created in drawable folder	2		
3	The Action Bar Must be Hidden	1		
4	Add the Question Mark Image ( <i>ic_action_help.png</i> ), Your Full Name and Loading Text at the center of Splash as shown in the screen shot. All text must be BOLD and White Color (#FFF)	3		
5	The Image should change after 2 Seconds to another <b>True Mark</b> Image ( <i>ic_checkin.png</i> )	3		
6	After 2.5 seconds of image change, open the main activity	3		

## Part 2: Main Activity

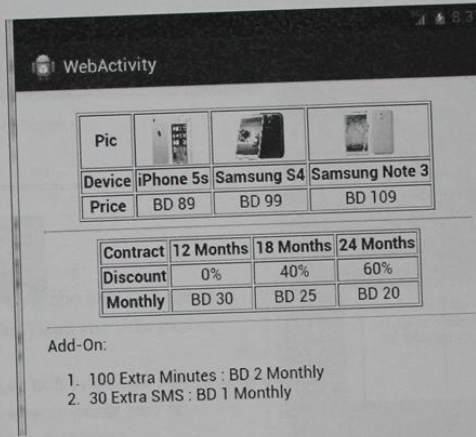

Main Activity Requirements				
N	Requirement	Marks	Your Score	Feedback
1	Design the layout of the main Activity as shown above. The background of this Activity must be White (#FFF). Note that Contract Spinners should have 3 items named 12 Months, 18 Months, and 24 Months and the default device selection should be set to iPhone 5s with its corresponding image	5		

Page 4 of 8

2	The device image should be changed based on User Device Selection	3		
3	When the user clicks on the calculate button, all user preferences/inputs should be sent to List Activity	8		
4	The action bar should have 2 items that are always displayed as shown above. Each item should function as follows: <ul style="list-style-type: none"> <li>The first item (<b>Contract</b>) with an image icon of (<i>ic_action_web_site.png</i>) takes the user to Web Activity</li> <li>The second item (<b>Developer</b>) with an image icon of (<i>ic_action_person.png</i>) opens an alert dialogue showing Your Name and ID as shown above.</li> </ul>	4
